

# Venue Partner Upgrade Requirements

Yuknique Balloon & Decor - Partner Program Reference

## Program Overview

The Venue Partner Program rewards approved venues based on the number of qualifying decor items ordered each month. Each approved decor item counts as one install toward monthly partner status.

## Partner Status Levels

Status	Monthly Qualifying Decor Items	Wholesale Discount
Partner	1-5 items/month	20%
Preferred Partner	6-10 items/month	25%
Premier Partner	11+ items/month	30%

## Qualifying Decor Items

The following products currently count toward partner status: Column, Floor Centerpiece, Garland with Backdrop, and Bouquet. Future approved decor products may be added by Yuknique.

## Items That Do Not Count Toward Status

Delivery fees, setup fees, pickup fees, breakdown fees, rush fees, taxes, replacement charges, and other service fees do not count toward monthly partner status.

## How Status Advancement Works

Partner status is based on qualifying decor items ordered during the month. Status upgrades apply to future purchases and are not applied retroactively to completed orders.

Example: If a Partner has 9 qualifying items for the month and places an order for 5 more items, that order is processed at the Partner rate. After the order is completed and the account reaches 14 items, the venue may be upgraded to Preferred Partner for future orders.

## Current Wholesale Access Setup

Each partner status has a private wholesale ordering page. Approved venue partners only have access to the pricing page connected to their current status.

Partner Status	Wholesale Page Access
Partner	Wholesale Partner page

Preferred Partner	Wholesale Preferred page
Premier Partner	Wholesale Premier page

## **Payment Policy Note**

All partner orders should be paid through the website unless Yuknique approves invoice-based ordering for a trusted partner. A separate Partner Program Payment Policy should be created before offering invoice terms such as Net 7, Net 15, or batch ordering.

## **Important Review Note**

Before publication, this guide should be compared against Yuknique's current website Terms & Conditions to avoid discrepancies regarding payment, refunds, cancellations, delivery, pickup, rental items, liability, insurance, and service limitations.

This document is intended as an internal and partner-facing program guide. It should be reviewed and updated as the partner program grows.
